In this guide you will be introduced to the basics of participating in an online course or as part of your regular class. After completing this orientation you will be able to:

- Logging into Moodle.
- Finding your Course(s).
- Interact with the course teachers and other students either by email or through the moodle site.
• **Logging in through SUC Website Portal:**

  • **Step 1:** Open SUC website
    
    Browse to:  
    (http://suc.edu.om/index.php/en/)

  • **Step 2:** Scroll down to the Quick Links Section

  • **Step 3:** By clicking **Moodle button** you will see the Moodle site.
By Accessing the Moodle site:

- you can use the Login button located at the top right of the site (see screenshot).
- Or the Login button located in the footer of the site (see screenshot). Here you will be brought to the Site Login page.
• Log in using your username (Your Student ID) and password (Your National Number)
Once you have logged in to Moodle, you will be brought to your site’s Front Page. The Front Page displays useful information, at the bottom of the Navigation block is a link to the My courses page. Clicking this link displays the courses that you are registered in the second semester, as seen in the following screenshot:
In this section, by clicking the course title, you will see each topic/week of the course that will be made up of activities, instructions and a Link to YouTube channel for video presentations related to your course. These activities and instructions will vary within the nature of the course.
